Intestine display at the Museum

The Senior class left for Chicago at 4:30 AM, April 3. The city had many interests to offer. Among the sights toured were the Board of Trade where 90% of the nations grain delivery contracts are made. All went up the tallest skyscraper, The Sears Tower, and viewed the city on the 103rd floor. Before touring the city, a stop was made at the Museum of Science & Industry. Everyone was given a chance to shop for souvenirs at the Water Tower Place. While in the city, the class caught glimses of the Wrigley building, the John Hancock Center, the Water Tower, and Chinatown. The Pinnacle, a glamorous revolving restaurant, was where a superb supper was enjoyed by all before returning to Ottoville, Saturday morning.

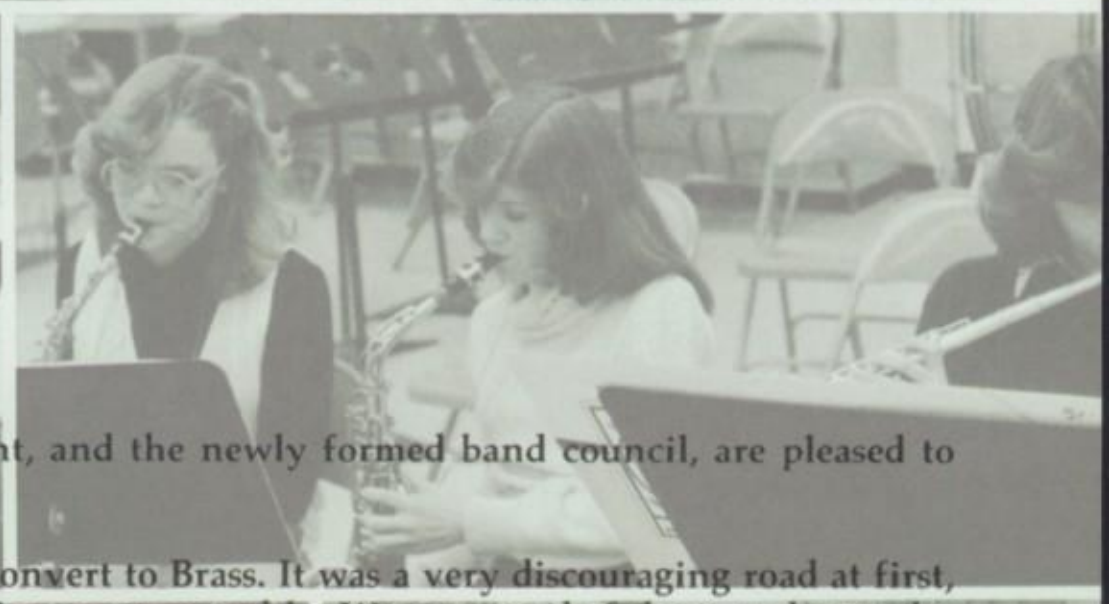
All Brass Band



This is the year for the O.H.S. Band. I, as president, and the newly formed band council, are pleased to present Ottoville's new summer marching band.

With many ambitious people, our band decided to convert to Brass. It was a very discouraging road at first, but with the enthusiasm of the students the conversion went smoothly. We are proud of these students who are willing to dedicate more time to master another instrument. I would like to thank those students. Director Shinabery helped temendously by following through with our plan. It is sad to note that with this fine accomplishment, Mr. Shinabery, due to his retirement, will not be able to share with us the thrill of the new adventure in our music department.

We woul like to thank him for his patience and guidance through this whole excursion, and we would like to say that we will miss him.

Senior Night

The girls had a very competitive season this year, even though our record of 8-13 does not seem to reflect that fact. Our schedule was very tough and the girls were in every game right to the end. With a break here or there, the record could have easily been reversed. My most memorable game would have to be beating Ada, rated in the state at the time, in overtime.

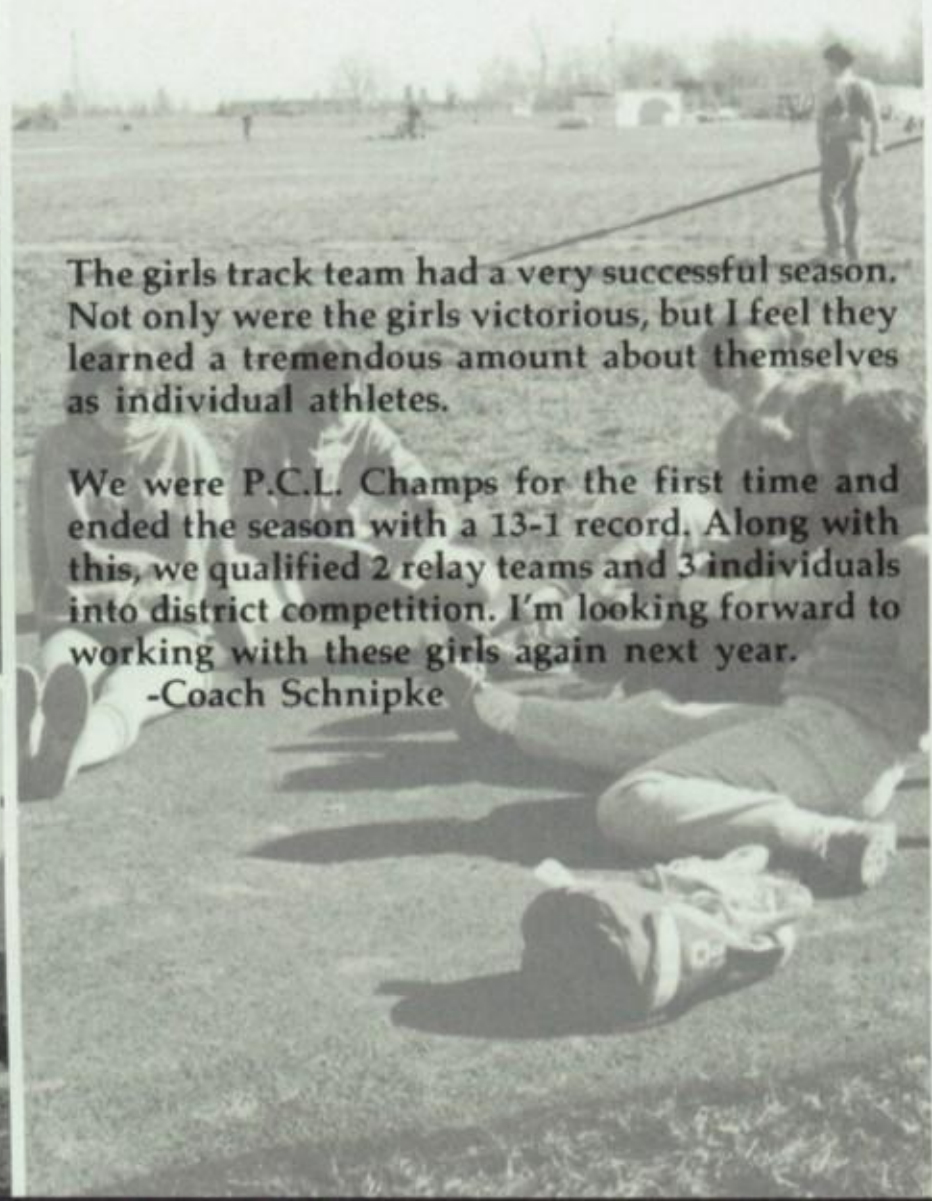
Check out those PCL CHAMPS!!!



The girls track team had a very successful season. Not only were the girls victorious, but I feel they learned a tremendous amount about themselves as individual athletes.

We were P.C.L. Champs for the first time and ended the season with a 13-1 record. Along with this, we qualified 2 relay teams and 3 individuals into district competition. I'm looking forward to working with these girls again next year.

After serving over 19 years as school maintenance engineer/custodian, Mr. Elmer Schneider has announced his retirement for the end of the current school year. "Elmer," after serving nearly 4 years in the U.S. Army in Europe during World War II, married his wife, "Barb." They have reared four children (Joyce, John, Paul, Rick) and have four grandchildren. "Elmer" began his duties at Ottoville School in March, 1962, and served our school well during those years. The students and faculty wish the Schneider's a most pleasant retirement and thank them for the many services they have extended to us.

Upon completion of 31 years as music instructor and director of bands and vocal groups in several Ohio public schools, E. Ray Shinabery has announced his retirement. After joining the Ottoville faculty in August, 1970, Mr. Shinabery taught vocal and instrumental music, music appreciation, elementary school music, and organized the school's Pep Band and Stage Band.

A native of Lima, he married another Lima native. Mr. and Mrs. Shinabery have five children. A daughter will graduate from Defiance College in June. A son is affiliated with a radio station in Texas.

"Ray" graduated from high school in Lima and obtained his B.S. in Educ. and M.S. in Educ. degrees from the Ohio State University. While at Ohio State, he was a member of the University Marching Band for two years, making the Rose Bowl trip with the band and the football team in 1950. He also worked with a Lima radio station for five years and played with the Lima Symphony Orchestra. Ray has been a member of the Ottoville Local Education Association, Northwest Ohio Education Association, a life member of the Ohio Education Association, National Education Association, and various professional music associations.

The students and faculty extend thanks for the fine work he performed at Ottoville and wish him and his family much happiness in the future.

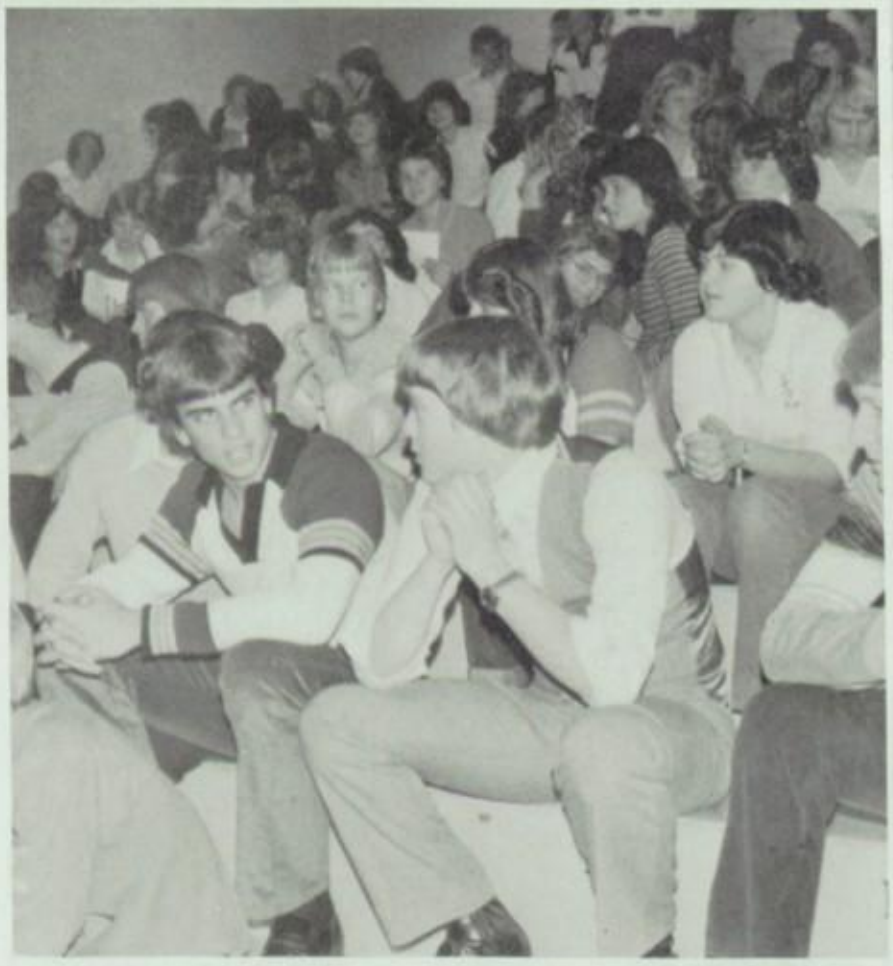
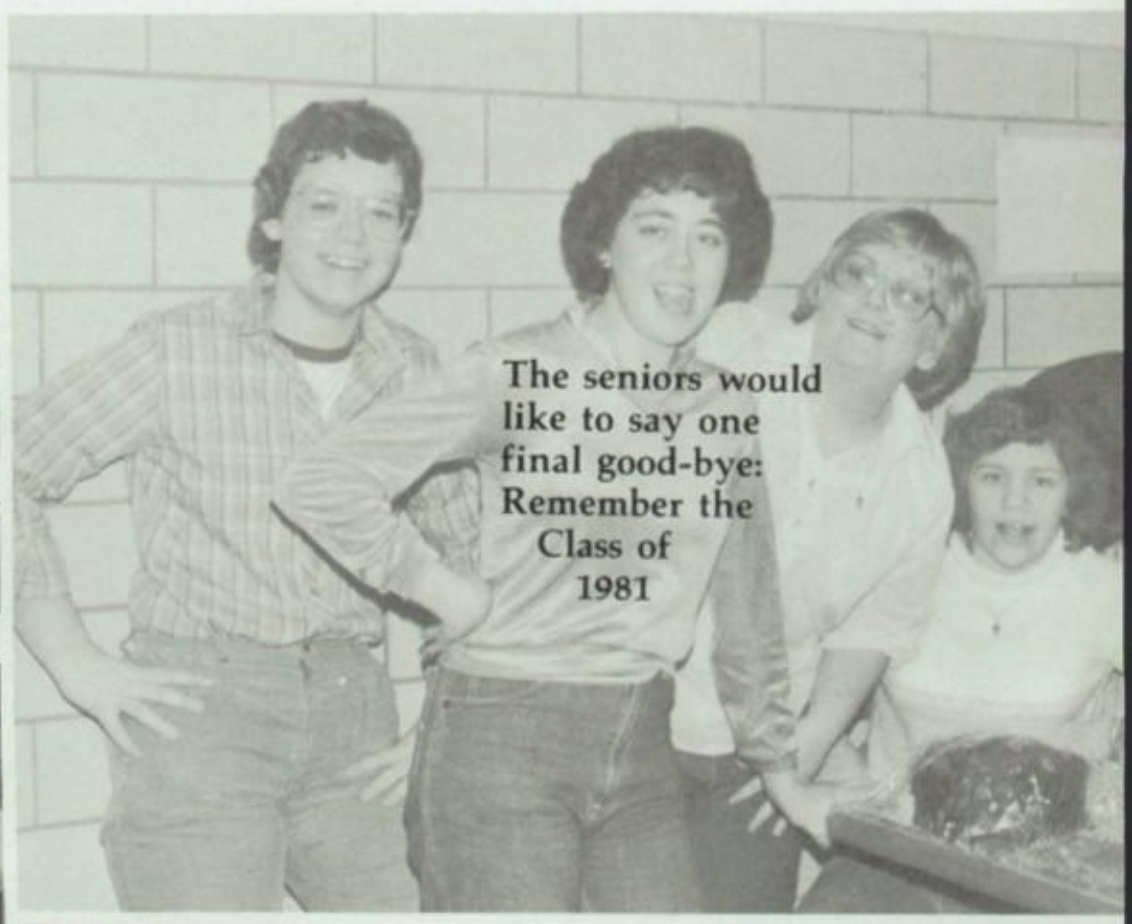
Farewell To

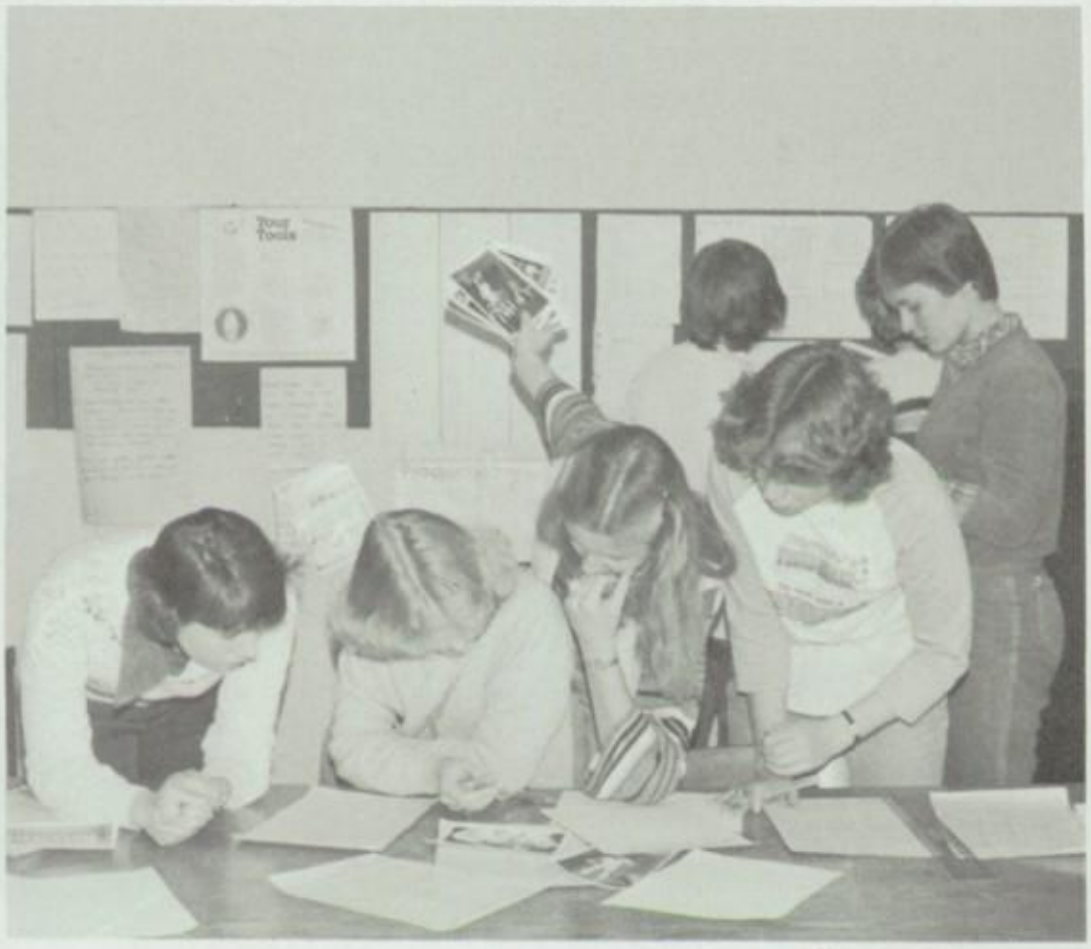
All At OHS

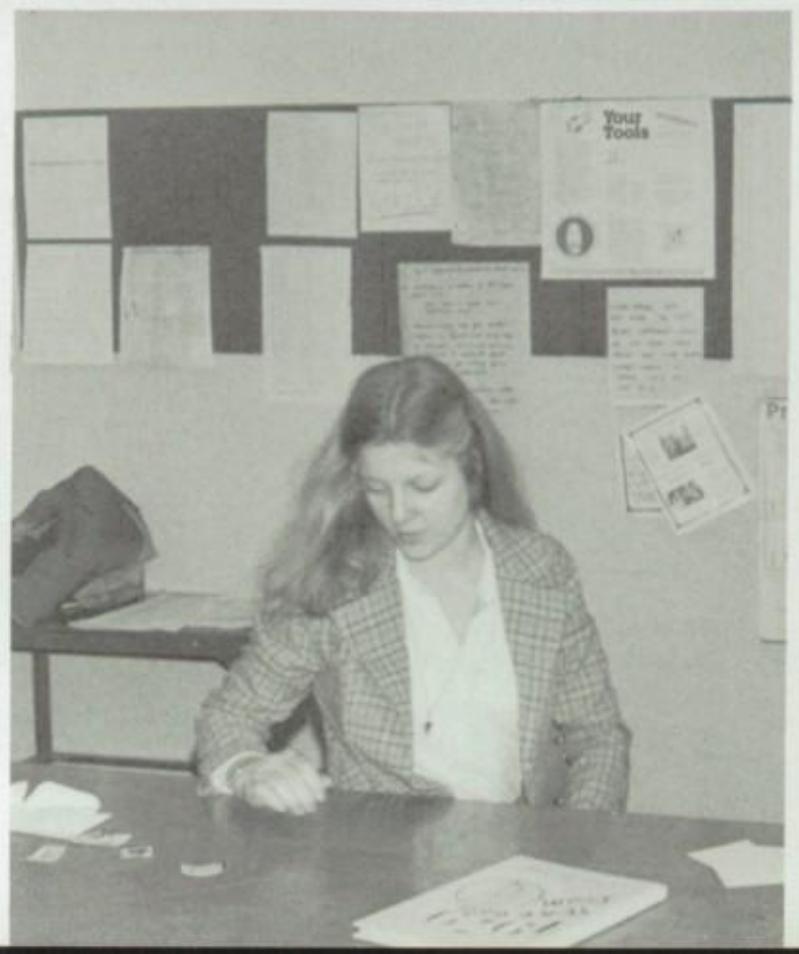


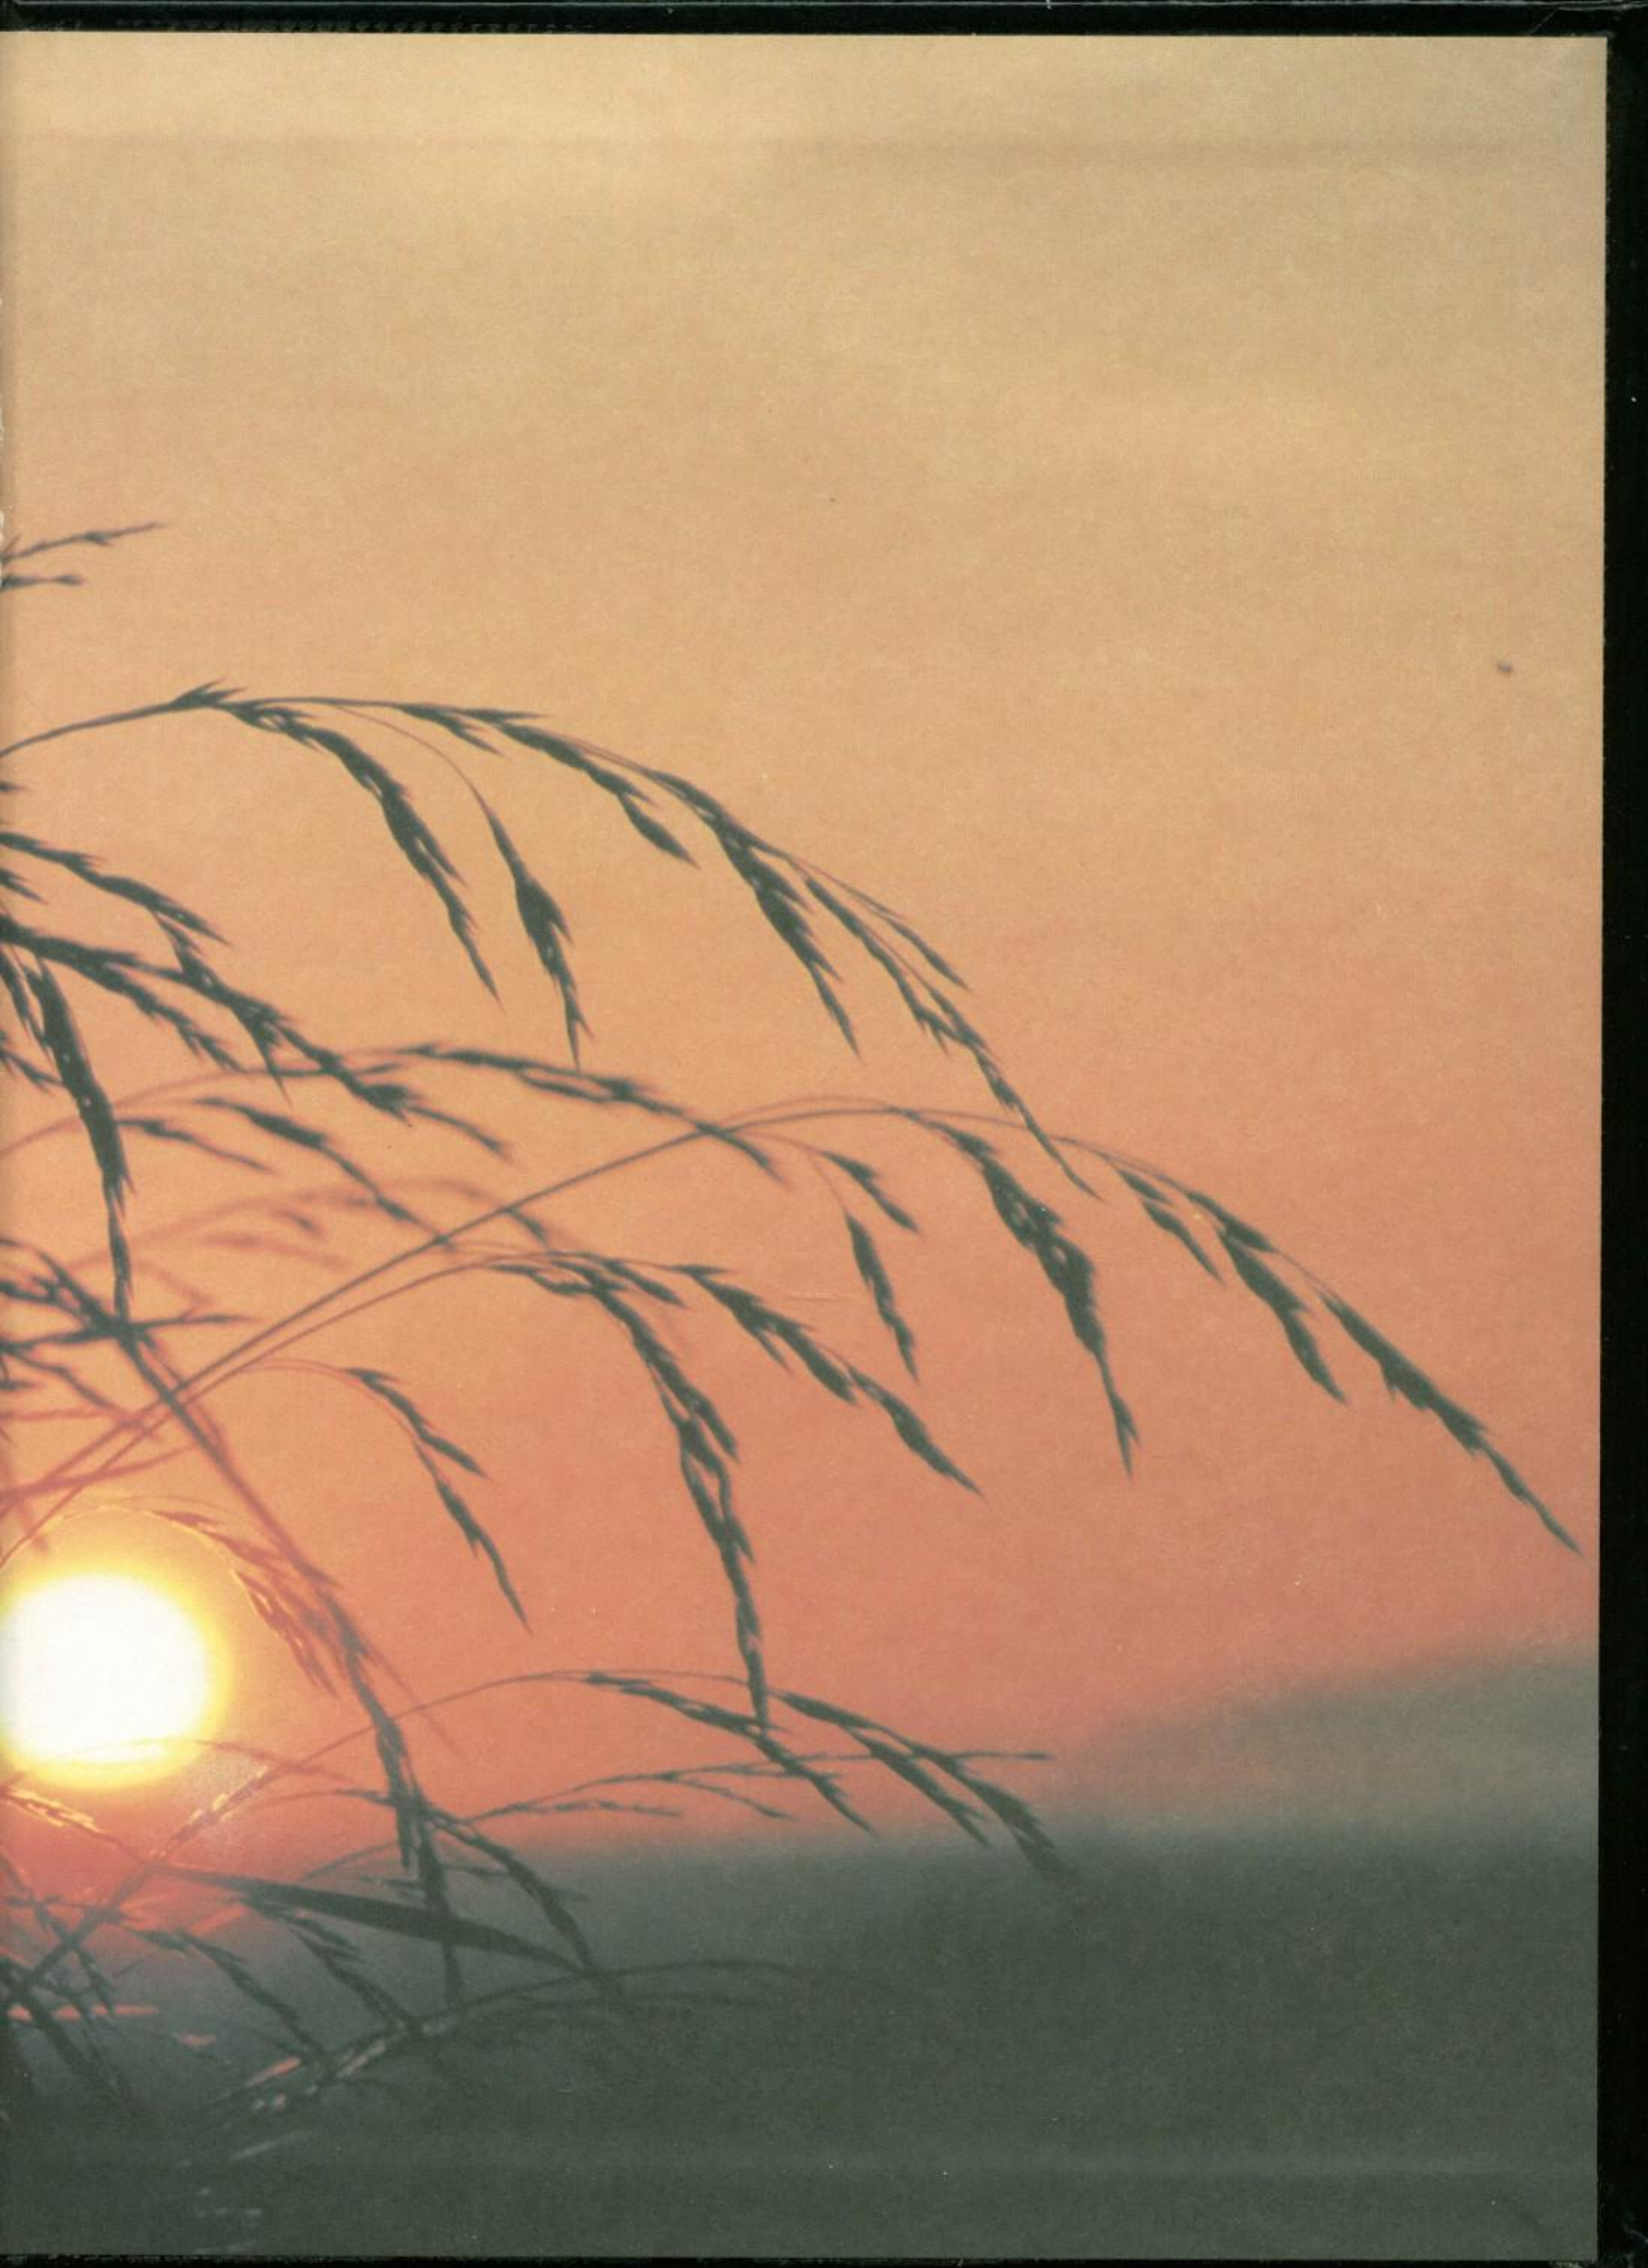


The seniors would
like to say one
final good-bye:
Remember the
Class of
1981

This is Big Trun Territory!



They say all good things must come to an end,
And I guess this is the end for us.
Our school years have been happy ones.
The teachers and administration gave us much needed support
To help fulfill our goals and dreams.
Now we must take the knowledge we acquired,
To use it in the best way we know how . . .
To begin a new life on our own.




Editor-in Chief Cindy Averesch
GOOD LUCK TO THE CLASS OF 1981
